Skylight Replacement

With Solatube Home,
replacing your old skylight
is simpler than ever.

You call. We answer.

We have a team of skylight experts
standing by to take your call.

We measure. You choose.

Our certified installation consultant visits your home
to evaluate your existing skylight and
help you choose your replacement skylight.

We install your new skylight.

As soon as your order is ready,
we come to your home, remove your old skylight,
and install your brand new one. Boom. Done.

Call now to set up your
free consultation.
